Florida Water & Pollution Control Operators Association

A Non-Profit Association Serving Florida's Water and Wastewater Professionals Since 1941

Introduction

Each year the Florida Water & Pollution Control Operators Association (FW&PCOA) presents awards at the Florida Water Resources Conference to honor water and wastewater treatment plant operators and FW&PCOA associate members who exemplify the goals and objectives of the association. These awards are the David B. Lee and Pat Flanagan Awards, respectively.

David B. Lee Award ([Click here for the application](#))

The David B. Lee Award is given by the FW&PCOA to an active water or wastewater treatment plant operator. The award is based on the operator's plant operation and his or her activity within the association. The Award Committee is responsible for visiting and interviewing the candidates at their plant, rating the candidates, and selecting a final winner. Points are assigned based on the following criteria:

Pat Flanagan Award ([Click here for the application](#))

The Pat Flanagan Award is given by the FW&PCOA to an associate member of the association. The award was established in 1964 and is based on the associate member's assistance to operators and his or her contributions to the association. The Award Committee determines the award recipient based on the following criteria:

- Assistance in training operators,
- Maintenance and/or repair of water or wastewater facilities,
- Assistance in regional or annual meetings and short schools, and
- Providing technical information and service to operators.
